

ELECTION MANIFESTO

LET'S MAKE HISTORY TOGETHER

We strongly believe that we are the kind of people who settle for nothing less than excellence. That being said, let's get straight down to why you shouldn't settle for anyone less than Balaji.

ELECTION MANIFESTO

LET'S MAKE HISTORY TOGETHER

The below mentioned claims have been subject to scrutiny by various parties and are not misleading.

So what can we achieve together?

1. Reduction in Travel Fare

Reduction in the weekend bus service fare by at least 30%- 40% in a round trip (Rs.130 approx). Shiv Nadar University will positively be a pick up point for cab services like Uber, Ola and the likes.

2. New Food Joint

Another place to eat right here within the campus in the likes of Subway, McDonald's, Café Coffee Day and others.

3. Transparency in Club Expenditure

All expenditures of clubs for any event shall be recorded and displayed for all students and faculty members. Scanned copies of bills and other vouchers will be uploaded online for the students to have an insight on the monetary aspects of the club.

4. Wi-Fi Availability in Open Areas

The Student Wi-Fi network will be made available throughout the campus including the roads, fields and canopies. We are also looking into the complexities involved in increasing the post bandwidth speed from 128kbps to 256kbps, which, if feasible will be implemented at the earliest.

5. Water Water Everywhere!

RO Purified water dispensers in every floor in every hostel which was overlooked by the Hostel Committee. Also hot water for drinking will be made available in the mess.

9. Minutes Of the Meeting

A calendar bearing the tentative dates of important senate events such as Student Council Meetings, Town Hall etc will be shared to everyone at the start of the tenure. 10. Adios to Spams

Cab Pooling, lost this, found that.... Spammers find something or the other to make their presence felt everyday. Lucky for you, there is a solution to this. A separate portal for cab pooling, lost & found will be established and a heavy fine will be levied to anyone who misuses the email system after the portal is up and running.
